NIIT launches get to help graduates evaluate job-readiness

NIIT LAUNCHES 'GET' TO HELP GRADUATES EVALUATE JOB-READINESS

NIIT has launche the Graduate Employability Test (GET) – to enable graduates to evaluate their job-readiness and get career consultation based on their test scores. 'GET 2012', will be conducted by NIIT nationwide, on December 09, 2012. The application forms for the test are available at NIIT centers across the country. Graduates in any stream can register for the NIIT GET by filling the GET Application form and paying the GET Application fee of Rs.299. Students can also log on to www.niit.com/get to apply online and to get more details. The last date for receipt of application is December 08, 2012.

GET has been designed as a 100-minute objective type examination and aims to assess functional abilities and behavioural traits that make up I.T. aptitude. Every student undergoing the test will receive a personalised graduate employability score-card.

GET aims to cater to this need by determining the candidate's job-readiness which will enable them to know the skill gap in order to be readily employable. The test will assess the aptitude students on the parameters of Problem Solving, Logical ability, Numerical Ability, Verbal Ability, Result Orientation and Teamwork.

GET 2012 results will be announced on December 11, 2012.
