## **Scantech Evaluation Services Limited**

### **Notes to the financial statements for the year ended March 31, 2013**

#### **1 BACKGROUND**

The Company was incorporated on July 17, 2002. The main objects of the Company are to undertake business activities as consultants, providing services and to carry on business in all spheres of computer systems and computer applications, developers of hardware & software systems and related activities.

The ancillary objects include investing money or monies of the Company, in shares, stocks and other investments as may be expedient and to hold, sell or otherwise deal with such investments in any manner and to lend or advance money as the Company may think fit for implementing the main objects. The Company has invested in 24.30% of paid up share capital of NIIT Technologies Limited (NTL) and also advanced loan to its holding company, NIIT Limited. As the Company has not commenced its main business, at present, the sources of income include dividend from investments and interest on loans given to holding company.

#### **2 BASIS OF PREPARATION OF ACCOUNTS**

These financial statements are prepared on an accrual basis, under the historical cost convention and in accordance with all applicable accounting principles in India. These Financial Statements have been prepared to comply in all material aspects with the applicable accounting standards notified under section 211(3C) [Companies (Accounting Standards) Rules, 2006, as amended] and other the relevant provisions of the Companies Act, 1956.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule VI to the Companies Act, 1956. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current – non current classification of assets and liabilities.

#### **3 SIGNIFICANT ACCOUNTING POLICIES**

The significant accounting policies adopted by the Company are detailed below:

##### **i) Fixed Assets and Depreciation**

Fixed Assets are shown at acquisition cost. Computers and computer accessories are depreciated over a period of 3 years, on a straight line basis.

##### **ii) Investments**

Long-term investments are valued at their acquisition cost. Any decline in the value of the said investment, other than a temporary decline, is recognised and charged to statement of profit and loss. Short-term investments are carried at cost or their market value, whichever is lower.

##### **iii) Revenue Recognition**

Revenue is recognised on an accrual basis. Dividend income is recognised when the right to receive dividend is established. Income from sale of mutual fund is recognised at the time of sale of units in mutual funds.

##### **iv) Taxation**

Tax expense comprising of both current tax and deferred tax is included in determining the net results for the year. Deferred Tax reflects the effect of temporary timing differences between the assets and liabilities recognized for financial reporting purposes and the amounts that are recognized for current tax purposes. As a matter of prudence deferred tax assets are recognised and carried forward only to the extent, there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Current tax is determined based on the provisions of Income Tax Act, 1961.

##### **v) Cash and Cash Equivalents**

Cash and cash equivalents includes cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.
