

CORPORATE SOCIAL RESPONSIBILITY POLICY

I. Overview

1. NIIT Limited (“**NIIT**”) is a leading Global talent development company engaged in the business of providing comprehensive learning solutions to Corporate and Individuals, assessment services, IT, e-Learning, Content and Curriculum development and Training delivery. NIIT’s Vision document expresses “Each of us will ensure that in any association with society, society benefits substantially more than what society gives to us and what society would gain from any other similar association.
2. The corporate sector controls a significant portion of the society’s resources and therefore, it is imperative for companies to draw a balance between their right to grow and their responsibilities towards society and the environment. The concept of Corporate Social Responsibility (“**CSR**”) acknowledges the duty that a company owes to the community within which it operates as a stakeholder and it urges a company to embrace the “triple bottom-line” approach whereby its financial performance can be harmonized with the expectations of society, the environment and the many stakeholders it interfaces with and not just its own shareholders and employees.
3. In the past, NIIT has been making annual grants to NIIT University, a self-financing university and non-profit making institution located in Neemrana, Rajasthan (“**NU**”). NU has been established with the objective to provide seamless, industry linked, technology based, research driven doctoral programs as well as under graduate and post graduate education. NU is promoted by NIIT Institute of Information Technology (“**TNI**”), a society registered under the Societies Registration Act, 1860 (Central Act No. 21 of 1860). NIIT has also been engaged in providing educational and vocational training through its foundation established for charitable purposes i.e. NIIT Foundation (“**NF**”), a society registered under the Societies Registration Act, 1860 (Central Act No. 21 of 1860). Through these initiatives, NIIT aims at promoting both higher and vocational education, thus enhancing employability. NIIT shall continue its CSR activities in a manner that is compliant with Section 135 of the Companies Act, 2013 (“**Act**”) and the rules framed thereunder.

II. NIIT’s CSR Policy

4. This CSR policy (“**Policy**”) spells out NIIT’s philosophy towards its social responsibilities and lays down the guidelines, framework and mechanism relating to the implementation, monitoring, reporting, disclosure, evaluation and assessment of projects, programs and activities forming part of NIIT’s CSR.
5. The CSR Committee is empowered to recommend amendments or modifications to this Policy and such changes shall be placed before the Board of Directors of NIIT (“**Board**”) for approval. This Policy shall be displayed on the company’s website.

III. NIIT’s CSR Vision

6. NIIT recognizes that CSR involves ongoing commitment by businesses to contribute to the economic and social development of the society while improving the quality of life and building capacities of the local community and society at large.

IV. Objectives of the CSR Policy

- (i) Determining the modalities of execution including targets and timelines in consultation with the CSR Committee;
- (ii) Ensuring that implementation of all projects, programs and activities is being carried on in accordance with the above;
- (iii) Maintaining documents and accounts pertaining to all CSR activities of NIIT;
- (iv) Providing periodic reports to the CSR Committee on implementation as well as assessment carried out through field visits and feedback sessions; and
- (v) Assisting the CSR Committee in preparation of the annual report on CSR.

X. Projects, Programs and Activities

15. The CSR Committee shall identify & evaluate programs, projects and activities in line with this Policy and place it for the approval of the Board. The identification of the programs, projects and activities shall be based on internal assessment, receipt of proposals, ground-level discussions and studies by professional bodies.

16. NIIT shall develop a strategy with respect to new projects or programs after identifying the target group and focus areas it wishes to harness; operationalize the institutional mechanism i.e., choosing the implementing agency whether in-house or out-sourced and identifying the implementation model which could range from giving grants to direct project execution; develop

the project with defined activities, targets, timelines, budgets etc., finalize the arrangement with the implementing agency so selected; and continue monitoring of progress and reporting.

17. In the event any of NIIT's subsidiaries in India meet the thresholds set out in Section 135 of the Act and are thereby obligated to undertake CSR in accordance with the Act and the rules, NIIT may collaborate with such subsidiaries for undertaking projects or programs or activities in a manner such that the CSR Committee of NIIT as well as the committees of its subsidiaries are in a position to report separately on such programs, programs or activities, in accordance with the prescribed law.

XI. Implementation

18. NIIT shall continue to undertake its CSR activities through NU, NF and such other NGOs or agencies that meet the criteria prescribed under law.
19. The projects, programs or activities identified by the CSR Committee and approved by the Board shall be implemented in a project mode through the CSR Cell which will entail charting the stages of execution through planned processes, measurable targets, mobilization and allocation of budgets and prescribed timelines. It also involves assigning of responsibility and accountability. Suitable documents / agreements shall be entered into with NU, NF and the other agencies for the purposes of implementation of the projects. The conditions of grant of amounts for all CSR activities, projects and programs and the break-up of the allocations shall be set out and evaluated from time to time.

XII. CSR Expenditure, Allocation and Disbursement of Funds

20. The CSR Committee shall recommend the annual budget for each project, program or activity in accordance with this CSR Policy and applicable law, for the consideration and approval of the Board. The CSR Committee will also determine and recommend to the Board for its approval, the allocation and distribution of CSR spends within the different projects, programs and activities undertaken. The schedule of disbursements shall be linked to the planned projects / activities.
21. The corpus for CSR expenditure shall include 5% of the average net profits during the 3 (three) immediately preceding financial years subject to a minimum of 2% of the average net profits; (b) any income arising therefrom; and (c) any surplus arising out of CSR activities.
22. The overall CSR expenditure shall be approved by the Board in its meeting based on the recommendations of the CSR Committee. CSR expenditure shall include all expenditure including contribution to corpus, or on projects or programs relating to CSR activities approved by the Board on the recommendation of the CSR Committee.
23. The CSR Cell may, in consultation with the CSR Committee, decide to build CSR capacities of its own personnel as well as those of NU, NF and the other agencies. However, the expenditure towards the same shall not exceed 5% of the total CSR expenditure of NIIT in one financial year.

XIII. Monitoring

24. The CSR Committee will monitor the programs and projects to ensure that they are being carried out in compliance with this Policy and the Act and in accordance with the approved budget. Money expended towards CSR shall be released only against verification of utilization of funds as per approved work-plans and timelines. Verification may be done through review of documents, field visits and through an active feedback mechanism.

25. To ensure effective implementation of the CSR projects, programs and activities undertaken in terms of the Policy, the progress of each such project, program and activity will be reviewed by the CSR Committee on a quarterly basis, with all requisite documentation. Such reviews shall be carried out with the objective of identifying slippages, if any, and taking appropriate corrective action to resolve such slippages after thorough discussions with the CSR Cell.
26. All CSR activities and expenses made thereon will be audited in a transparent manner.
27. Any surplus arising out of CSR projects/programs or activities shall not form part of the business profits and shall be invested into the CSR program/project.
28. In the event it is observed that any CSR activity taken up is not being implemented in the desired manner, the CSR Committee may, with the approval of the Board, discontinue funding of such project at any time during the course of implementation and deploy such funds for any other project/ activity or program.
