**NIIT GC LIMITED**

**DIRECTORS' REPORT**

The directors present their report and the audited financial statements of NIIT GC Limited for the year ended 31 March 2016.

**PRINCIPAL ACTIVITIES**

The Company's principal activities are investment holding and to provide information technology education as well as software services.

**REVIEW OF BUSINESS**

The Company's loss for the year is **USD 48,384** (2015 - USD 45,804).

The directors did not recommend the payment of a dividend for the year under review (2015-USD NIL).

**STATEMENT OF DIRECTORS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS**

Company law requires the directors to prepare financial statements for each financial year which present fairly the financial position, financial performance and cash flows of the Company. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors have confirmed that they have complied with the above requirements in preparing the financial statements.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Mauritian Companies Act 2001. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors have made an assessment of the Company's ability to continue as a going-concern and have no reason to believe that the business will not be a going-concern in the year ahead.

**AUDITOR**

The auditor, PricewaterhouseCoopers, has indicated its willingness to continue in office and will be automatically reappointed at the Annual Meeting.

**By order of the Board**

**SECRETARY**

## ***Independent Auditor's Report***

### ***To the Shareholder of NIIT GC Limited***

#### ***Report on the Financial Statements***

We have audited the financial statements of NIIT GC Limited (the "Company") on pages 7 to 22 which comprise the statement of financial position of the Company standing alone as at 31 March 2016 and the statements of comprehensive income, changes in equity and cash flows for the year then ended, and notes, comprising a summary of significant accounting policies and other explanatory information.

#### **Directors' Responsibility for the Financial Statements**

The Company's directors are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritian Companies Act 2001 for companies holding a Category 1 Global Business Licence and in compliance with the requirements of the Mauritian Companies Act 2001, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## *Independent Auditor's Report*

### *To the Shareholder of NIIT GC Limited (Continued)*

#### *Report on the Financial Statements (Continued)*

##### **Opinion**

In our opinion, the financial statements on pages 7 to 22 give a true and fair view of the financial position of the Company standing alone as at 31 March 2016, and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards as modified by the exemption from consolidation in the Mauritian Companies Act 2001 for companies holding a Category 1 Global Business Licence and comply with the Mauritian Companies Act 2001.

#### *Report on Other Legal and Regulatory Requirements*

The Mauritian Companies Act 2001 requires that in carrying out our audit we consider and report to you on the following matters. We confirm that:

- (a) we have no relationship with or interests in the Company or its subsidiary other than in our capacity as auditor of the Company ;
- (b) we have obtained all the information and explanations we have required; and
- (c) in our opinion, proper accounting records have been kept by the Company as far as appears from our examination of those records.

##### *Other Matter*

This report, including the opinion, has been prepared for and only for the Company's shareholder in accordance with Section 205 of the Mauritian Companies Act 2001 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016****1 GENERAL INFORMATION**

The Company is a limited liability company incorporated on 25 April 1997 and domiciled in the Republic of Mauritius. The Company holds a Category 1 Global Business Licence under the Financial Services Act 2007 and is regulated by the Financial Services Commission. The Company has its registered office at c/o Abax Corporate Services Ltd, 6<sup>th</sup> Floor, Tower A, 1 Cyber City, Ebène, Mauritius.

The principal activities of the Company are to hold investments and to provide information technology education as well as software services.

These financial statements were authorised for issue by the Board of Directors on 06 May 2016.

**2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

*Basis of preparation*

The financial statements have been prepared in accordance with International Financial Reporting Standards ("IFRS") as modified by the exemption from consolidation in the Mauritian Companies Act 2001 for Companies holding a Category 1 Global Business Licence (IFRS as modified by Mauritian Companies Act 2001). The financial statements have been prepared under the historical cost convention.

The preparation of financial statements in conformity with IFRS as modified by the Mauritian Companies Act 2001 requires the use of certain critical accounting estimates. It also requires the directors to exercise their judgement in the process of applying the Company's accounting policies. For the year ended 31 March 2016, there were no areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements.

*Changes in accounting policies and disclosures***(i) New and amended standards adopted by the Company**

There are no IFRSs or IFRIC interpretations that are effective for the first time for the financial year beginning on 1 April 2015 that would be expected to have a material impact on the Company.

**(ii) New standards and interpretations that are not yet effective and have not been early adopted.**

A number of new standards and amendments to standards and interpretations are effective for annual periods beginning after 1 April 2015, and have not been applied in preparing these financial statements. None of these are expected to have a significant effect on the financial statements of the Company.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)***Consolidation*

As disclosed in Note 7, the Company owns 100% of the issued share capital of NIIT China (Shanghai) Limited.

The Company has taken advantage of the exemption provided by the Mauritian Companies Act 2001 allowing a company holding a Category 1 Global Business Licence not to present consolidated financial statements where it is a wholly owned or virtually wholly owned subsidiary of the company. The financial statements are therefore separate financial statements which contain information about NIIT GC Limited as an individual company and do not contain consolidated financial information as the parent of a group.

The Company is a wholly owned indirect subsidiary of NIIT Limited, a company incorporated in India, which produces consolidated financial statements prepared in accordance with Generally Accepted Accounting Principles of India ("Indian GAAP"). These consolidated financial statements are obtainable at 85, Sector 32, Institutional, Gurgaon 122001, India.

*Foreign currency translation**(a) Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates (the "functional currency"). The financial statements are presented in United States dollar ("USD") which is considered by the Board to most faithfully represent the economic effects of the underlying events, transactions and conditions, and which is the Company's functional and presentation currency.

*(b) Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income.

*Investment in subsidiary*

Subsidiaries are all entities over which the Company has control. The company control an entity when it is exposed to or has right to variable returns from it, involvement with the entity and has the ability to affect those returns through its power to direct the activities of the entity.

Investment in subsidiary is shown at cost in the Company's financial statements. Where an indication of impairment exists, the recoverable amount of the investment is assessed. Where the recoverable amount of the investment is less than its carrying amount, the investment is written down immediately to its recoverable amount and the impairment loss is recognised as an expense in the statement of comprehensive income.

On disposal of the investment, the difference between the net disposal proceeds and the carrying amount is charged to the statement of comprehensive income.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)***Trade receivables*

Trade receivables are amount due from customers for licenses sold or services performed in the ordinary course of business. They are classified as current or non-current based on the expected collection date.

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for impairment is established when there are indications that the Company will not be able to collect all amounts due according to the original terms of the receivables. Where an indication of impairment exists, the recoverable amount of the receivable is assessed. Where the recoverable amount of the receivable is less than its carrying amount, the receivable is written down immediately to its recoverable amount and the impairment loss is recognised as an expense in the statement of comprehensive income.

*Cash and cash equivalents*

Cash and cash equivalents include cash at bank. Cash equivalents are short term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

*Share capital*

Ordinary shares are classified as equity.

*Borrowings*

Borrowings are recognised initially at fair value, net of transaction cost incurred. Borrowings are subsequently carried at amortised cost using the effective interest method.

*Trade and other payables*

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Other payables consist of accruals. Trade and other payables are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities.

Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest rate method.

*Revenue recognition*

Revenue represents invoiced value of licenses supplied and delivered after deducting discounts and allowance. Revenue is recognised when the amount of revenue can be reliably measured and when it is probable that future economic benefits will flow to the Company.

Dividend income is recognised when the right to receive payment is established.

Interest income is recognised using the effective interest rate method.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)***Current and deferred income tax*

The current income tax charge is calculated on the basis of the tax laws enacted or substantially enacted at the reporting date.

Deferred income tax is recognised in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

*Financial instruments*

Financial instruments carried on the statement of financial position include investment in subsidiary, trade receivables, loan and advance, cash and cash equivalents, borrowings and trade and other payables. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

**3 FINANCIAL RISK MANAGEMENT***Financial risk factors*

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. Further quantitative disclosures are included throughout these financial statements.

**(a) Market risk**

Market risk comprises of currency risk, interest rate risk and other price risk.

**(i) Currency risk**

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

As at 31 March 2016 and 2015, the Company was not exposed to currency risk since all its financial assets and financial liabilities were denominated in USD.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****3 FINANCIAL RISK MANAGEMENT (Continued)****(a) Market risk (Continued)****(ii) Interest rate risk**

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company's interest-bearing financial instruments consist of its cash at bank and the borrowings from its immediate parent. The Company is not subject to fair value interest rate risk since the cash at bank and borrowings are carried at amortised cost, and are not subject to cash flow interest rate risk since the cash at bank earns interest at the rate of 0% and the borrowings carry a fixed rate of interest.

**(iii) Other price risk**

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market. As at 31 March 2016 and 2015, the Company was not exposed to other price risk as it does not hold any financial assets or financial liabilities that are carried at fair value.

**(b) Credit risk**

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

The Company's exposure to credit risk arises from its trade receivables and cash and cash equivalent.

The Company's sole debtor is its subsidiary namely NIIT China (Shanghai) Limited. Based on its current performance and financial position, as well as its future forecast, the directors believe that the subsidiary has the capacity to pay back its debt. Hence the Company was not exposed to significant credit risk on the trade receivables from its subsidiary.

The ageing analysis of trade receivables has been disclosed in Note 8.

The Company's cash at bank is placed with a financial institution that the directors regard as being of high quality and that has a credit rating of AA- from Standards and Poors at 31 March 2016.

The maximum exposure to credit risk is represented by the carrying amount of the financial assets at the reporting date.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****3 FINANCIAL RISK MANAGEMENT (Continued)****(c) Liquidity risk**

Liquidity risk is the risk that the Company is unable to meet its obligations, associated with its financial liabilities when they fall due.

Prudent liquidity risk management includes maintaining sufficient cash and the availability of funding from an adequate amount of committed credit facilities. Liquidity risk is managed at group level and the Company obtains financial support from its parent.

The table below analyses the Company's financial liabilities into relevant maturity groupings based on the remaining period at the statement of financial position date to the contractual maturity date. The amounts disclosed in the table are the contractual undiscounted cash flows :

	No fixed maturity or repayable on demand USD	More than 12 months USD
<b>2016</b>		
Trade and other payables	716,133	-
Borrowings	90,000	314,753
	-----	-----
	806,133	314,753
	=====	=====
 <b>2015</b>		
Trade and other payables	703,187	-
Borrowings	80,000	329,753
	-----	-----
	768,187	329,753
	=====	=====

The Company has financial assets of **USD 1,018,753** (2015 - USD 1,045,936) that can be recalled on demand. In addition the Company has recourse to its parent for its financing requirements. Hence, no significant liquidity risk is foreseen.

**(d) Capital risk management**

The Company's objectives when managing capital are to safeguard the Company's ability to continue as a going concern in order to provide returns for shareholders and for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. The capital of the Company consists of share capital and funding from its immediate parent through borrowings.

**(e) Fair value estimation**

The carrying amount of trade receivables, cash and cash equivalents, borrowings and trade and other payables approximate their fair values.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****4 OPERATING LOSS**

	2016 USD	2015 USD
The following items have been charged in arriving at operating loss:		
Fees paid to auditor for:		
Audit services	10,000	9,600
Directors' emoluments	2,200	2,000
	=====	=====

**5 FINANCE COSTS**

	2016 USD	2015 USD
Interest charge on loan (Note 12 (iv))	18,468	16,449
	=====	=====

**6 TAXATION**

The Company invests in the People's Republic of China ("PRC") and the directors expect to obtain benefits under the double taxation treaty between Mauritius and PRC. To obtain benefits under the double taxation treaty the Company must meet certain tests and conditions, including the establishment of Mauritius tax residence and related requirements. The Company has obtained a tax residence certification from the Mauritian authorities and believes such certification is determinative of its resident status for treaty purposes. A company which is tax resident in Mauritius under the treaty, will not be subject to capital gains tax in PRC on gains from the disposal of shares of a company, the property of which does not consist, directly or indirectly, principally of immovable property situated in PRC as long as the holding in the Chinese company does not exceed 25% during the twelve months period preceding the disposal of the shares. Dividends received may, however, be subject to withholding tax at a rate not exceeding 5%. The company may also be subject to withholding tax on interest earned on Chinese securities at the rate of 10%.

The Company has been granted a Category 1 Global Business License under the Financial Services Act 2007 and is subject to income tax in Mauritius at 15% (2015 - 15%). It is, however, entitled to a tax credit equivalent to the higher of the actual foreign tax suffered and 80% (2015 - 80%) of the Mauritian tax on its foreign source income, thereby giving an effective tax rate of 3% (2015 - 3%). At 31 March 2016, the Company had accumulated tax losses amounting to **USD 227,739** (2015 - USD 224,803) and was therefore not subject to tax. Capital gains of the Company are exempt from tax in Mauritius.

The foregoing is based on current interpretation and practice and is subject to any future changes in Chinese and Mauritian tax laws and in the tax treaty between PRC and Mauritius.

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****6 TAXATION (Continued)**

The accumulated tax losses which will be available for set-off against future taxable profits are as follows:

Year ended	Amount of tax loss (USD)		Available for set off up to year ending
	2016	2015	
31 March 2011	-	45,448	31 March 2016
31 March 2012	33,776	33,776	31 March 2017
31 March 2013	50,543	50,543	31 March 2018
31 March 2014	49,232	49,232	31 March 2019
31 March 2015	45,804	45,804	31 March 2020
31 March 2016	48,384	-	31 March 2021
	<u>227,739</u>	<u>224,803</u>	

A reconciliation between the actual income tax charge and the theoretical amount that would arise using the applicable income tax rate for the Company follows:

	2016 USD	2015 USD
Loss before Income tax	48,384	45,805
Applicable income tax rate at 15%	( 7,258)	( 6,871)
Impact of:		
Tax losses for which no deferred tax asset was recognised	7,258	6,871
Actual income tax	-	-

A deferred income tax asset has not been recognised in respect of tax losses carried forward as the directors consider that it is not probable that future taxable profit will be available in the foreseeable future against which the unused tax losses can be utilised. At 31 March 2016, unrecognised deferred tax asset amounted to **USD 6,832** (2015 – USD 6,744).

**7 INVESTMENT IN SUBSIDIARY**

	2016 USD	2015 USD
At cost:		
01 April and at 31 March	588,000	588,000

**NIIT GC LIMITED****NOTES TO THE FINANCIAL STATEMENTS – 31 MARCH 2016 (CONTINUED)****7 INVESTMENT IN SUBSIDIARY (Continued)**

Details of the Company's subsidiary, which is incorporated in the People's Republic of China, are:

Name	Description of shares held	Number of shares		% Holding		Principal activity
		2016	2015	2016	2015	
NIIT China (Shanghai) Limited	Ordinary of USD 1 each	588,000	588,000	100	100	Providing IT training and services

The directors have reviewed the investment for impairment and have concluded that there was no sign of impairment at the reporting date.

**8 TRADE RECEIVABLES**

	2016 USD	2015 USD
