Get Skilled for Local and Global Career Opportunities

About NIIT

NIIT, a leading education provider, is a skills and talent development corporation that is building a manpower pool for global industry requirements. It ranks amongst the world's leading training companies owing to its vast and comprehensive array of futuristic programs.

For over 40 years, we have taken pride in creating career opportunities for students from different walks of life. We have trained millions of students in more than 30 countries. Our expertise in content development, training delivery and education process management make us the most preferred training partner.

A world-leading, technology-driven, skill development organisation that is the first choice of smart students and professionals.

At NIIT, we believe that our actions speak louder than words.

**Present across
30 countries**

**35 Million +
Learners Worldwide**

**India's Most Trusted
Educational Brand**

About StackRoute

Established in August 2015, StackRoute®, an NIIT initiative, is a suite of continuing education programs that target high-demand jobs in technology. Our mission is to enable students with high-quality, practitioner-led, immersive learning that prepares them to be job-ready from day one. As a deep-skilling, talent transformation partner on digital, StackRoute works with large global IT organisations, Global Incubation Centers & Product companies.

StackRoute was awarded the Brandon Hall Group HCM Excellence Award 2020, jointly with a leading independent IT and business consulting services firm. The Gold medal has been awarded under the 'Best Use of Blended Learning' category for the Graduate Transformation Program. Additionally, it has won the Brandon Hall Silver Award for 'Best Results of a Learning Program' jointly with the world's leading engineering company in aerospace.

About The Program

Open the door to a world of opportunities and earn a minimum CTC of ₹8LPA* as an industry-ready StackRoute Certified professional. Develop mastery in coding with this **Placement Assured Program***. This multi-layered program gradually prepares learners to get “job-ready” by turning them into day-1 project-ready professionals with an edge over the others in the highly demanding field of software development.

Key Specializations

- Computer Science Fundamentals
- Object Oriented Programming in Java
- SPA using Angular

Job Opportunities

- Full-Stack Developer
- Software Engineer
- Software Developer
- Java Developer

Program Curriculum

Part 1- Foundation (18 Weeks)

Pre-programming Foundation

- Computer science fundamentals
- Problem solving
- Programming logic & techniques

Programming in Java

- Object Oriented programming in Java
- Applying data structures & algorithms
- Working with RDBMS (MySQL)
- Unit test using JUnit
- Java 8 features (Java 11)

Summative Java Project

Part 2- Enterprise Layer (20 Weeks)

- Build Responsive web pages using HTML5, CSS3 & Bootstrap
- Interactive web pages using Modern JavaScript
- Unit testing using Mocha and Chai
- SPA using Angular
- Create and consume RESTful APIs
- Working with NoSQL DB
- Implement the concepts and build Microservices using Spring framework

Part 3- Capstone Project (8 Weeks)

- Capstone Project - Develop and test a complete non-trivial web application for a pre-defined case study
- Project presentation

Programming Languages And Tools Covered

The NIIT Advantage

Be Day-1 Job-Ready

Build an impressive
portfolio with
capstone projects

1:1 Mentorship

Get unparalleled mentorship
from our expert faculty with
highly hands-on personalised
feedback to learners

Mastery Learning

Achieve mastery with our
individualized and group-
based learning pedagogy

Practitioner Designed

Get your design and code
reviewed by mentors to
refactor

Master Skills & Tools

Gain expertise in front-end,
back-end, web, app, and
software development
technologies at different
levels

Integrated Problem Solving

Practice challenging, real-world
problem-solving exercises for
deep skilling

Grow Your Network

Tap into the
acclaimed NIIT-
StackRoute alumni
network

Leverage End-To-End Career Support

Complete Grooming Process

360-degree grooming process to get you started with confidence. This initiative ensures 6 types of input and quality checks before you start attending interviews.

Profile Matching

We assist you in matching your profile with appropriate job openings for early selections.

Individual Grooming

Get personalized tips on grooming, polishing your interview skills, resume building and other areas of improvement.

Company-Specific Preparation

Get company-specific input and guidance and access to a repository of interview questions for complete preparation.

Interview Feedback

Obtain feedback on interview performance so that you can improve and be ready for the next interview.

Salary Negotiation

Once you receive an offer, we help you negotiate with clients for the best salary as per industry standards.

Program Details

Program Start Date	Please visit our website for more details https://www.niit.com/india/pg-in-software-engineering-part-time-course
Duration	46 Weeks (Part-Time)
Mode	Online Mentor-Led
Learning Schedule	<ul style="list-style-type: none">• Mon - 7:30-9:30 PM Online Class• Tue - 2hrs Mandatory Assignment Completion• Wed - 7:30-9:30 PM Online Class• Thu - 2hrs Mandatory Assignment Completion• Fri - Break• Sat - 9:00 AM-1:00 PM Online Class + 4hrs Mandatory Assignment Completion
Program Fee	1,50,000/- (Excluding GST @ 18%) Flexible payment options available
