# NIIT conducts IT certificate course for girls

**KT NEWS SERVICE**

JAMMU, Sep 10: National Institute of Information Technology (NIIT), Jammu is conducting an IT certificate course for girls at Thanamandi. This course, being conducted with the aim of teaching basic computer skills and the use of internet, is a part of the endeavour being made by Rashtriya Rifles battalions under counter insurgency Romeo Force to empower women in the region.

Around 14 students of class XI and XII of Government High School, Thanamandi are attending the course being conducted from September 6 to 21. On successful completion of the course, a certificate will be issued to all the participants by NIIT management.

While inaugurated the course, Jammu Director NIIT Rahul Sharma appreciated the efforts being made by the Army for educating girls in this remote area.
