The winners are listed at <http://www.brandonhall.com/excellenceawards/past-winners.php>

"Excellence Award winners personify innovation that drives business results. Our winners embrace the future and embrace change and the challenges that go with it," said Rachel Cooke, Chief Operating Officer of Brandon Hall Group and head of the awards program. "It is amazing in reviewing these entries how organizations – both large and small – work across functions to make human capital management a valuable asset that enables business success."

The award entries were evaluated by a panel of veteran, independent senior industry experts, Brandon Hall Group analysts and executives based upon the following criteria: fit the need, design of the program, functionality, innovation, and overall measurable benefits.

Excellence Awards winners will be honored at Brandon Hall Group's HCM Excellence Conference, January 23-25, 2019, at the Hilton West Palm Beach in Florida.

"We are extremely proud that we have earned 19 Brandon Hall Excellence awards jointly with our customers. These highly coveted awards are a recognition of the finest in learning and talent development. We are honored to partner with our customers in their L&D transformation journeys through innovative approaches and transformative business results," said DJ Chadha, EVP & Global Head, LDO, Content Design & Development at NIIT's Corporate Learning Group.

## About Brandon Hall Group

Brandon Hall Group is a HCM research and advisory services firm that provides insights around key performance areas, including Learning and Development, Talent Management, Leadership Development, Talent Acquisition, and HR/Workforce Management.

With more than 10,000 clients globally and 20 years of delivering world-class research and advisory services, Brandon Hall Group is focused on developing research that drives performance in emerging and large organizations and provides strategic insights for executives and practitioners responsible for growth and business results.

**Our mission:** Empower excellence in organizations around the world through our research and tools each and every day.

At the core of our offerings is a Membership Program that combines research, benchmarking and unlimited access to data and analysts. The Membership Program offers insights and best practices to enable executives and practitioners to make the right decisions about people, processes, and systems, coalesced with analyst advisory services which aim to put the research into action in a way that is practical and efficient.
