

NIIT launches certificate course on insurance

NIIIT Institute of Finance, Banking and Insurance Training, Ahmedabad, recently launched a six-month certificate programme in Insurance, an exclusive career programme designed for SBI General Insurance, a joint venture between State Bank of India and Insurance Australia Group. It is the institute's first-ever earn and learn programme where each student will get an opportunity to work under experienced mentors and understand the business dynamics. Skilled professionals, graduates and students who have successfully completed Class XII in the regular mode and, are in the 21-40 years age group can apply for this programme. Candidates will be absorbed by SBI General Insurance after successful completion of the certificate. The students will be assigned to a branch and an experienced mentor from SBI General will provide the required on-the-job training. Ravi Khanna, Vice President-HR and Learning at SBI General Insurance Company, addressed the gathering and Bimal Jain, President, NIIT IFBI, was present during the launch.
